Gray's Angus Ranch

A Family Tradition Since 1898

Welcome Ranchers

Welcome to Gray's Angus 2nd Century Performance Bull Sale! We're excited to have the privilege of moving our sale location to the old Windy Acres Sale Barn at Harrison, NE. We're thankful to Broken Arrow Angus & the Krein Family for allowing us the opportunity. It's a great facility for our Registered Angus Bull Development and Spring Sale. We are looking forward to pressing on with the 7th generation, and better serving you, our customers as well.

Our lineup for this 2025 Bull Sale looks solid and ready to go to work. We are offering an outstanding set of 50 2-year-olds that have had ample room to exercise, climb hills, and get in shape. We feel it will be hard for you to find a better offering of 2-year-old Bulls. The Yearlings are growing strong with the Gray genetic influence for a Complete Package of soundness and performance both on grass and in the feedlot. Generations based on careful selection of our most productive cow families are the backbone of our program, functioning well in producing Cattle That Stand the Tests of Time.

We have had good reports on the adaptability of our bulls to higher altitudes and rigid pasture conditions. Our cow herd is calved out, and the bulls are fed at about 5000 ft in elevation on the high plains of Sioux County. This has proved to develop a herd sire battery and maternal base resistant to high altitude disease.

Real life results are what we've experienced and have developed a genetic base with the vision of benefitting you, our customers, with your success our goal. We highly appreciate the support of our customers and look forward to being of service in the future.

We invite you to come and check out the bulls at our new facility. If you have any questions, please feel free to contact us.
