Terms - Cash

All cattle will sell under the current terms and conditions of the American Angus Association.

Liability

All persons who attend the sale do so at their own risk. Hinman Angus LLC, Dave & Yvonne Hinman, William & Heidi Luloff assume no liability, legal or otherwise, for any accidents which may occur.

Trucking

Free delivery on bulls to CENTRAL POINTS (stockyards, etc) within 1000 miles, or the nearest Canadian border, on purchases of \$4000 or more. We will refund \$50 per bull on any bulls picked up sale day or within the next three days after the sale.

Bids

Sight unseen satisfaction guarantee. Call Dave, Billy or Tyler prior to sale day to discuss your requirements; that will help us purchase the bulls you need.

Volume Discount

A 10% discount will be given on 10 or more bulls purchased by, transferred and delivered to one buyer, when purchase price is \$4000 or more.

Retained Interest

Hinman Angus is retaining 1/3 semen revenue-sharing interest in each individual bull in the sale, unless otherwise announced from the block. Natural use and salvage value belong to the buyer.

Tuesday

38th Annual
Bull Sale

April 1, 2025

At the Ranch, 4783 Bowdoin Rd,
 10 miles east of Malta, Montana

1:00 pm
MDT

Sale Order

We will start with Lot 1 and sell in Lot order.

EPDs

EPDs are current as of March 1, 2025.
 View updated EPDs at www.Angus.org

Cattle Available For Viewing

The cattle are fed at Hould Feedlot southwest of Malta and can be seen there anytime until the weekend before the sale, at which time they are moved to the ranch.

Calving Ease Explanation

- ⊕ - Recommended for Cows
- ⊕⊕ - Moderate Calving Ease, recommended for use mostly on cows
- ⊕⊕⊕ - Superior Calving ease, should work well with most heifers
- ⊕⊕⊕⊕ - Excellent calving ease, use on heifers

Herd Health

We have an excellent whole herd health program with the help of Dr. Rick Levesque. All bulls have been tested for BVD and have had two shots of Fusogard.

Fertility

Bulls will be evaluated and scrotal measured by Dr. Rick Levesque DVM mid March. Scrotal measurements will be available on Hinman Angus website and at the sale.

First Year Breeding Season Guarantee

Bulls are guaranteed to be sound and healthy breeders, with a first breeding season guarantee. Breeding season is defined as the first 90 days following the first turn out. All bulls selling for \$4000 or more will be given 50% of the value of the injured bull, minus salvage value. Credit will be given in a future sale or towards a replacement bull if one is available. All injured bulls must be diagnosed by a veterinarian and information sent to us. Please notify us as soon as possible should an injury occur and prior to the injured bull being sold for salvage.

All claims must be filed with us by September 1, 2025.

AM, NH, CA, M1, DD and OH Guarantee

All sale bulls are pedigree free or have been tested free of all known genetic defects.

Bid through Northern Livestock Video Auction's NEW Online Bidding Platform! Desktop and Mobile Friendly

Desktop

1. It is best to use the Google Chrome web browser.
2. *Pre-Register at least one day prior to the sale.*
3. Go to bid.northernlivestockvideo.com and click "Get Approved to Bid".
4. Doing this will prompt you to create an account, after which you will fill out a bidder approval application.
5. Once Approved, an email will be sent to the email account provided, please click the link in that email to activate your account and a buyer number will be provided.
6. On sale day (after approval), visit www.northernlivestockvideo.com to view and bid!

Mobile

Download the Northern Livestock Auction App and follow the above steps to get approved.

There is an instructional video on how to register to bid on our website, www.northernlivestockvideo.com

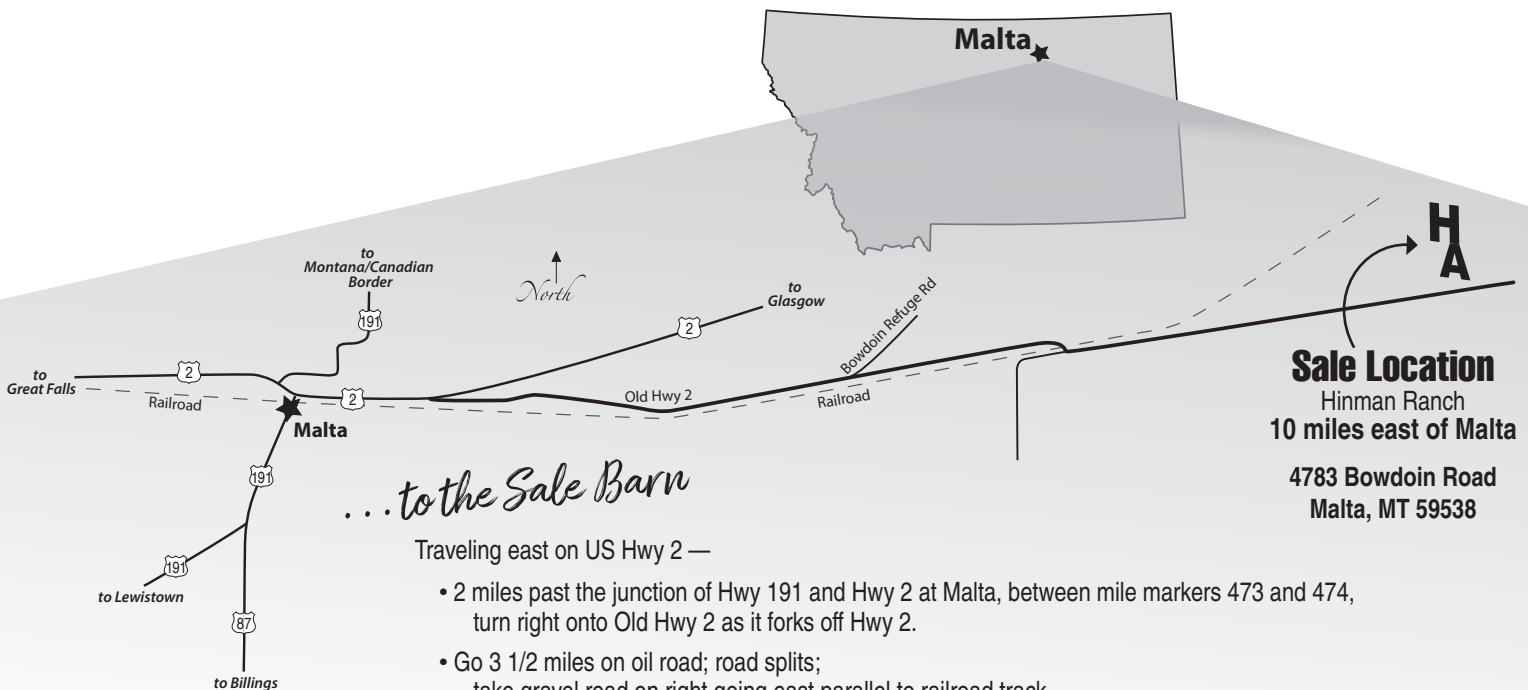

Phone Bidding:

Anyone wanting to use the Northern Livestock phone bank to bid must pre-register and have a bid number to bid on the phone. *To register with NLVA call 866-616-5035 Before Sale Day.*

Northern's Sale Day Bid Line: 1-406-245-0889.

View the Online CATALOG and VIDEO CLIP of each BULL selling at www.northernlivestockvideo.com
Bidders who are successful in making purchases will be contacted following the sale to make payment and delivery arrangements.

For technical assistance with Internet Viewing and Bidding Questions, call **Sam Fraser 406-860-0590.**

... to the Sale Barn

Traveling east on US Hwy 2 —

- 2 miles past the junction of Hwy 191 and Hwy 2 at Malta, between mile markers 473 and 474, turn right onto Old Hwy 2 as it forks off Hwy 2.
- Go 3 1/2 miles on oil road; road splits; take gravel road on right going east parallel to railroad track.
- Go 1 1/2 miles, cross the railroad tracks, immediately turn left still going east.
- Go 3 more miles.
Sale Barn is the green building on the left; turn in at the Hinman Angus Sign.

Dear Friends,

As I write this, it is -25 degrees, with a little wind. Minus 38 degrees is forecast tonight, and then it is supposed to get better. You know you live in the north country, when zero feels like it's a heat wave, and you realize that the good things in life are only how well you relate to them.

The cattle market is better than we have ever seen. It looks like all segments of the cattle industry could be profitable for a significant amount of time.

We, like a lot of you around the country, are in our second year of semi drought conditions. Good rains early and then they quit in June and the grasshoppers showed up. Can't complain too much, it could have been worse. Calves were a little lighter in our country, but still okay.

Until this cold spell, we had a wonderful fall, and the bulls have done very well on feed. We feel that we have a very strong set of bulls this year, with a terrific selection of both heifer bulls and cow bulls. There are strong sire groups with half-brothers in volume, to help with consistency in a calf crop. We would like to thank Bruce, Linda, Lance and the entire crew at the Hould Bull Center. They have done an outstanding job of developing the bulls.

Our entire family wants to give a big shout out to thank all the people who help us with the sale. We have a great group of folks who help with lunch, paperwork and photos. Thanks also to the guys that help haul the bulls home and those who move them through the sale ring on sale day.

Again, we thank you for your business and we are very grateful to be a part of your program. If there is anything we can do or help in any way, just let us know. If you have any questions on the bulls, contact either Dave, Billy, or Ty. We invite you to join us the afternoon before the sale -- view the bulls, have a good supper at the barn, and we can have a cool beverage and tell some interesting stories!

Thanks again and we hope to see you at the sale.

Dave and Family

Dave and Yvonne

Ty and Sascha

Billy and Heidi

075 will sire a little extra frame size with strong performance in his sons and daughters. We have a really nice sire group that we like a lot. 075 is strong in all areas of production. We are calving our first daughters, and they have good udders and look to have strong milking ability. They are nice to be around while showing maternal instincts.

Resilient has been used all over the country with many sons topping the sales they were in. We have calved two groups of Resilient daughters, and they are good mothers, with ideal udder quality and are doing a top-notch job at HA. The sons have performed very well and have all around good balance in all traits.

Thedford can be used on heifers and will sire extra performance, good carcass qualities, along with top of the line daughters. Very strong maternal background, along with good carcass qualities. Very strong maternal background as the Rito Lady cow family at Hinman Angus, always in the front end of production.

PSI is siring the same look that he has with wide topped, wide based, long bodied, high performance bulls. PSI daughters have that same body qualities that will make them into outstanding cows. PSI really does sire pounds per square inch! I think his sons will work in any terrain and will do all the things a rancher needs to stay in the cow business.

America recorded the heaviest 205 day weight in the history of the historic SAV program. America possesses a cowmaker phenotype, his daughters will make beautiful females. This high fertility sire also combines a docility EPD that ranks in the top 5% of the breed. Performance, phenotype and maternal, America is a well balanced sire, right for the times.

Sires high-performance structurally correct progeny with the high-volume Cowboy Up look. Terrific breeding bull in the pasture. We like this bull and will continue to use him.

HA Cowboy Up 5405

HA Cowboy Up 5405 was the right bull at the right time with his terrific body mass and exceptional performance from birth to yearling. Cowboy Up sons and daughters have shown the same body mass and have exhibited exceptional fleshing ability time after time. Cowboy Up daughters have shown exceptional fertility at HA along with bringing in some of our very best calves time after time. We have received reports from all over, such as our good friend James Coffee of Illinois. He called to let us know that 8 of his top 15 bull calves were out of HA Cowboy Up 5405 daughters. Cowboy Up sons have been in demand by astute cattlemen as they have seen many benefits of his progeny in a multitude of economic traits.

A rare and valuable addition to any breeding program. Cowboy Kind has proven himself to be an elite calving ease sire that excels at all the economically important traits. His sons easily make the transition from the heifers to the cows stretching your bull buying dollar and giving you added flexibility to your breeding program. Cowboy Kind is royally bred, with a pedigree that combines breed greats HA Cowboy Up, SAV Final Answer and HA Image Maker.

Owned by Timberline Ranch and Hinman Angus

Very active breeding bull in the pasture. Sound structure, long, wide and deep with very good feet.

We do one thing... Angus!

In this day and age of DNA, EPDs, and \$Values—tools we use in all our breeding decisions—we remain guided by the traits we see every day. Between Billy and myself, we bring over 80 years of experience breeding registered Angus cattle, and that experience matters. It allows us to confidently tell our customers that these daughters will excel in performance, possess strong feet, display excellent udders, and offer tremendous longevity. A pedigree is more than just what's written on paper—it's the program and experience behind it.

Welcome to the Annual Hinman Angus Bull Sale!

A great honor was bestowed upon Hinman Angus this past November during the annual Angus Convention in Fort Worth, Texas, as Dave and Yvonne were inducted into the **Angus Heritage Foundation**.

The Angus Heritage Foundation recognizes breeders whose passion, dedication, and life's work have had a lasting impact on the Angus breed. The perseverance of these families should not be understated — for without breeders like them, our breed would not be the robust industry it is today.

Hinman Angus was an early pioneer of performance testing, and to this day, it remains the cornerstone of their program. While utilizing every available tool at their disposal, Dave and Billy continue to play their trump card—over 80 years of successful Angus production—to guide them forward.

Dave has undoubtedly inspired many young breeders with his passion for the industry. His service on the Montana Angus and American Angus Association Boards of Directors has provided him with invaluable insight into both the Angus breed and the beef cattle industry as a whole.

This year's sale offering is sure to turn heads, featuring sire groups from some of the most sought-after bulls in the country, along with a rising star produced within the Hinman program.

HA PSI, the top-selling bull two years ago to Big Rok Angus in Detroit Lakes, MN, now has his first sons selling in this sale. With many more calves hitting the ground this spring, PSI is poised to be a major part of the Hinman program for years to come.

As you prepare for the HA sale, please don't hesitate to reach out if you have any questions.

Warm regards,

Ron Frye

MAKE YOUR CATTLE STAND OUT

You've made a significant investment in your genetics, but does the market recognize that? Stand out by differentiating our cattle with AngusLinkSM programs: the Genetic Merit ScorecardSM and AngusVerifiedSM.

ANGUSLINKSM
**GENETIC
MERIT**
SCORECARDSM

The Genetic Merit Scorecard gives buyers the confidence they need to pay more for your quality calves.

**ANGUS
VERIFIED**SM

AngusVerified validates your calves are sired by registered Angus bulls and make your cattle stand apart from other black hides on sale day.

Users of AngusLink programs earn **\$13-15/CWT PREMIUMS** on average. Give us a call, and learn how to claim your competitive edge with AngusLink value-added programs.

ANGUSLINKSM
VALUE ADDED PROGRAMS

ANGUSLINK.COM | 816-383-5100

The Genetic Merit Scorecard and AngusVerified are administered by IMI Global.

Driving the science of better breeding

There's little room for error in the cattle business. Producers need the most advanced information to make smart selection decisions, and Angus Genetics Inc. (AGI) provides it through genomic-enhanced expected progeny differences (GE-EPDs).

GE-EPDs have become the industry standard for herd improvement, building on decades of science-backed genetic evaluation tools originated and maintained through the American Angus Association*, home to the largest and ever-growing single-breed beef cattle database.

EPDs that traditionally contained all pedigree, performance and progeny information now also include results from available genomic, or DNA, tests. Breeders who use genomic technology give buyers access to AGI-generated GE-EPDs that provide:

- Increased predictability and decreased risk for young and unproven animals due to enhanced accuracy of EPDs
- Better characterization of genetics for difficult-to-measure performance traits (such as carcass traits, maternal traits and feed efficiency)
- The ability to make more rapid progress for traits that are important to you, due to:
 - more accurate selection
 - easier identification of genetic outliers
 - the ability to propagate young animals with confidence earlier in their lives

In fact, GE-EPDs on unproven animals have the same amount of accuracy as if they have recorded an average of 15 progeny, depending on the trait. That's valuable insight, offered regularly through the breed's weekly national cattle evaluation.

TRAIT	PROGENY EQUIVALENT	TRAIT	PROGENY EQUIVALENT
Calving Ease Direct	25	Pulmonary Arterial Pressure	17
Calving Ease Maternal	19	Hair Shed Score	8
Birth Weight	23	Heifer Pregnancy	17
Weaning Weight	27	Maternal Milk	35
Yearling Weight	22	Mature Weight	14
Yearling Height	15	Mature Height	9
Dry Matter Intake	11	Carcass Weight	14
Scrotal Circumference	13	Marbling Score	10
Docility	11	Ribeye Area	16
Foot Claw Set	13	Backfat Thickness	13
Foot Angle	13		

How do you know if EPDs are genomic-enhanced?

Ask your breeder, refer to the registration paper, or look for the AGI GE-EPD logo, Angus GS™ powered by partner Neogen or the HD50k by partner Zoetis. These images indicate animals for which genomic testing has been conducted and incorporated by AGI into GE-EPDs

HA PSI K031

Lots 1 - 10

We will start this year's sale with 10 PSI sons. The consistency in kind of this group of bulls is as solid as I have ever seen. They are heavy weaning, high gaining, wide topped, deep sided, long bodied, wide based bulls one after another with extremely good dispositions. We are calving the first daughters of HA Scale Boss, the sire of PSI, and they are wide based, with good dispositions and very good maternal instincts, good udders with strong milking ability and have the look of cows that will stay in good condition and have some solid longevity traits. The dam of HA PSI K031 has 3 NR at 112, 3 YR at 111, and is bred back AI for her fourth calf. These bulls will sire calves that will calve easy, wean heavy, have excellent feedlot performance, and leave daughters that will excel in all aspects of production. They really are the kind that will keep us in the cow business.

HA America 4107 is a bull we want to use back in our program. High performance at weaning and yearling with an extremely strong maternal pedigree. The grandmother on the bottom side is the dam of HA Cowboy Up 5405. A real strong mix of high maternal traits, strong carcass ability, and outstanding performance traits, along with a very docile demeanor. This bull will leave strong performing sons and awesome daughters.

Lots 21 and 25 are ET brothers. 4425 is an attractive bull with very high performance, out of one of our best cows from an extremely strong cow family. The granddam is the dam of HA Outside 3008 and granddam of Cowboy Up along with several other daughters that are in our flush program and others in the top end of our cow herd. Herd bull prospect with the credentials to sire top of the line bulls and heifers.

Lots 38-39-40 are ET brothers from one of our top producing cows. She has consistently produced some of our best time after time. These 3 bulls all show strong performance and the maternal part is a given. Nice made bulls that will do the things that we all need. Use Lots 38 & 40 on heifers. Use Lot 39 on cows.

Really interesting bull. Wisdom and Solution are both top notch maternal bulls and the combination leaves some real possibilities. 4445 is strong on his foot EPDs along with being excellent on the PAP EPDs. Top of the line calving ease and very good carcass scores to add to the mix and you have one exciting bull.

DEDICATED. COMMITTED.

WHOLE HERD REPORTING WITH MATERNALPLUS®

Raising quality registered Angus cattle takes **COMMITMENT**.
As your genetic supplier, we are **DEDICATED** to not only improve today's genetics,
but also prepare for the future of the Angus breed. We believe a commitment to improvement starts with the female.
Commit to the female — commit to MaternalPlus®.

Contact Customer Service at 816-383-5100 or angus@angus.org for more information.

YOU JUDGE YOUR COWS BY PRODUCTIVITY

HOLD YOUR EQUIPMENT TO THE SAME STANDARD

Your need to get a lot of things done is never-ending. That's why we specifically build Case IH equipment to be tough, powerful and resourceful enough to cover a wide range of duties across your entire dairy operation. Our do-it-all Puma,[®] reliably flexible Farmall[®] and simply productive Maxxum[®] series tractors are ready to go to work for you. So are our balers, windrowers, mower conditioners and more.

Contact us today to learn about the equipment that works as hard as you do or visit caseih.com/livestock.

Dave and Yvonne Hinman were inducted into the Angus Heritage Foundation at the 2024 Angus Convention in November. Pictured from left are Lauren Wolter, 2024 Miss American Angus; Yvonne and Dave Hinman; Heidi and Billy Lulloff; and Mark McCully, American Angus Association CEO

Tyler Lulloff was among a small group of young breeders selected to attend the 2024 Beef Leaders Institute and spend a week learning about the beef value chain.

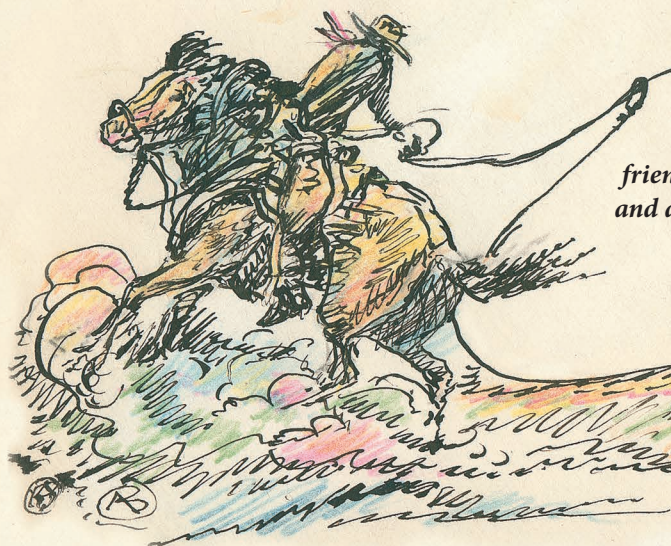

Thanks from all of us to all of you!

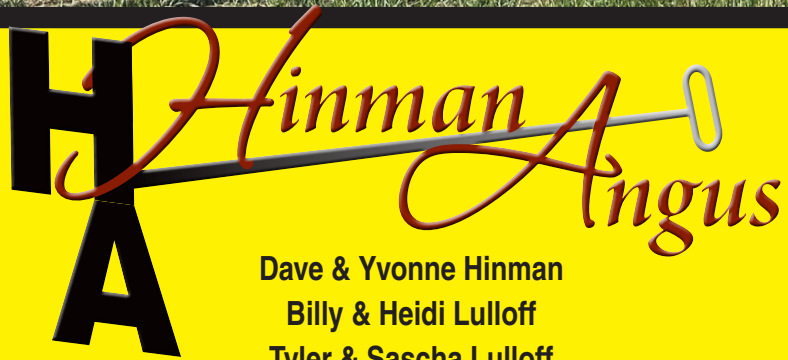

Once again, our sincere thanks to all of our friends and customers, family members and good neighbors and all the businesses that support us, each in their own way, so we can continue raising Angus cattle!
