BOTTOM LINE BULLS

Welcome to the annual KG Ranch production sale

First and foremost, thank you for taking time from your busy schedule to evaluate our offering. As we all know buying bulls is the life-blood of any cow/calf operation. Many cattlemen have turned what might have been an ordinary cow herd into a coveted set of females, by simply increasing the quality of bulls purchased each year. We feel this year's offering of bulls is on par with what you've come to expect from KG Ranch. Sound functional bulls that last. Bulls are an investment in your cow herd, the longer they last the more calves you get, the more valuable that bull becomes to your operation. We pride ourselves on standing behind "The KG Ranch Guarantee". We say what we mean, we mean what we say!

The bred heifers selling, like always, are the mates to the bulls selling. We are very proud of this group and we think you'll like them as well. They will make cows. The kind that will make money, the kind that lasts. Better times are headed our way in the cow/calf sector of the beef business. Females like these are in short supply and are likely to increase in price the next couple of years. It's the perfect time to get some of these quality females gathered up.

As always please give any of us a call, we'd be glad to visit with you and shed a little light on the KG Ranch program.

ABSENTEE BUYERS

How to Participate as an absentee buyer

We have made preparations to bid and buy livestock through Superior Productions' "Call or Click-To-Bid" service for those unable to attend in person on sale day. **Please note that all of the lots in the sale will also be available for viewing online prior to sale day at www.superiorlivestock.com.**

Here's How it Works

Turn in Bids Over the Phone. This is our traditional method of buying livestock and is the suggested process for anyone who does not have consistent, high-speed internet. To get started simply go online to www.superiorlivestock.com and click on the tab titled "Register for a Buyer Number". Select the registration form for Superior Productions and print the registration form. Fill it out and fax it in to Superior Productions at (817) 378-3380 with a signature on it. You can also mail it in to the address provided on the form. Upon receipt of this information Superior will call you with a buyer's number and the bid line phone number that you will use on sale day to place bids over the phone.

Click-To-Bid. This is Superior's online bidding program for cattle buying. **Please note that high speed internet is required – this is not for dial-up or satellite internet.** Registration is free, but you must become a member of www.superiorclicktobid.com to sign up. Becoming a member is easy – just go to the homepage of www.superiorclicktobid.com and follow the out-lined steps to get started. Input your information and select a username and password. You will receive an e-mail confirming you are a member. From that point forward you just have to sign in and select the sale you would like to register for and once approved by the ranch you will receive an e-mail confirming which sale you are now registered for.

Viewing the Auction. The sale will be broadcast via satellite on Dish Network channel 997. Please note that there is a delay if you are watching the auction on television so be sure to call in a couple lots ahead of the lot you are interested in bidding on. The sale will also be broadcast live on the internet at both www.superiorlivestock.com and www.superiorclicktobid.com. The video feed on the homepage of www.superiorlivestock.com looks the same as the video feed on TV and can be watched over a smartphone or tablet. Remember you can call in to bid whether watching on the TV or on the internet, but you must be a member of www.superiorclicktobid.com to "click-to-bid".

**Buyers will be contacted by the ranch after the sale for payment and delivery details.
IF YOU NEED ANY ASSISTANCE CALL SUPERIOR AT (800) 422-2117.**

Aptly named, as this son of HA Cowboy Up fits those of you that run in the tough country, and need cattle that can hold their body condition even in extremely dry years like we've experienced the past several. A light birth sire with a ton of growth, this bull fits those of you who like moderate framed bulls that perform from birth through weaning and in the feedlot.

The largest sire group of this year's sale.

Justified has been the cornerstone of the KG breeding program since he was purchased as the top selling bull in the 2014 KG Ranch sale. Justified's popularity has risen every year as breeders across the nation realized what a great fit he was for many programs.

This outstanding herd sire was lost this last year but his legacy will live on through the sons and daughters he leaves behind. Many thanks to our partners who purchased Justified back in 2014, Gartner Denowh Angus Ranch and Arntzen Angus Ranch. He was leased to Genex Coop.

One of the most consistent sires we have ever used at KG Ranch. Bulls excel in performance, with outstanding customer acceptance. If you feed or own steers or have empathy for those that do, this might be your sire group.

Topped the 2020 spring Sitz Bull Sale. Profound combines two of the cornerstone sires of the Sitz Angus program, Stellar and Upward. Possess a solid epd profile with plenty of growth and excellent foot EPDs. Profound progeny have performed very well, on the cow and on feed.

The Rangeland sire group is new genetics for KG Ranch and our customer base. They have performed well and offer an appealing phenotype. A maternal pedigree that will add some punch at weaning time. Pedigree indicates that the progeny will excel in heifer pregnancy, PAP, and foot scores. Dollar Values are exceptional as well.

We added the Charge On bull to give us more genetic flexibility. This sire group should add a bit more frame than some of the other sire groups in this year's line up. Solid EPD profile.

LCC Payweight 910: Purchased as one of the top selling bulls from the Lufkin Cattle Company in 2020. We see this sire being a nice way to infuse the Basin Payweight 1682 genetics into the KG cow herd. 1682 has been one of the premier sires of the last decade.
