We are hosting our 22nd Sugar Bars Legacy Sale in beautiful and historic Sheridan, Wyoming and are excited to announce that the sale will be broadcast online this year, through Frontier Live Sale. We hope this will benefit all those that cannot attend the sale in person. Registration information will be listed in the catalog; along with a link on our website and Facebook page, for those wanting to bid online. We thank and welcome all our buyers, consigners, staff, and friends that have made our sale possible. Bar M Quarter Horses established the sale to preserve the bloodlines of the late American Quarter Horse stallion, Sugar Bars. As with tradition, the Sugar Bars Legacy Sale Association will be hosting the sale this year; and it includes an exciting variety of outstanding Sugar Bars bred horses- meeting the needs of those interested in halter, performance, ranch, recreation, or those looking to take home a well-bred broodmare.

SUNDAY, September 22nd- SALE Day! The sale begins with the selection of the WILD CARD weanling; and will then proceed in catalog order! We have limited the number of weanlings and yearlings this year, so make sure you come early and be ready to bid. The lineup of riding horses includes young ones just started; to the well started performance prospect, the all-around ranch horse, finished- arena, trail, and family horses. A select group of Sugar Bars bred saddle horses will sell early among the weanlings/yearlings—we will announce lot numbers early on sale day!

Our weekend of events will start off on SATURDAY, September 21st with the Yearling Halter Futurity and Ranch Horse Versatility Futurity for 2- & 3-Year old's. All weanlings sold at the 2023 sale are eligible to compete in the Yearling Futurity. To compete in the ranch horse versatility your horse must have sold in 2021 or 2022 as a weanling or as a yearling in 2022 or 2023 through our sale (eligibility transfer with horse).

We invite everyone to check out our website - www.sugarbarslegacysale.com for updated pictures, videos, and additional information. For you FACEBOOK fans, search for Sugar Bars Legacy Sale and make sure you become a FAN; we will post weekly updates!

We are looking forward to seeing everyone and please contact any of the members if you have questions. Thank you for "helping preserve the Sugar Bars bloodline; by becoming part of the Legacy!"
See you in Sheridan!

WILD CARD

We are pleased to announce the Sugar Bars Legacy Sale "Wildcard." The 1st horse sold in the sale will be a "wildcard." The winning bidder for the "wildcard" lot will have his/her choice of any weanling in the sale. With no colt in the ring, the auctioneer will ask for bids on the "wildcard". It will be auctioned in the same manner as every other weanling in the sale, apart from the fact that, no one will know until the bidding is over and the winning bidder chooses his/her weanling, which horse has actually been sold. That weanling must be claimed immediately on winning the bid – and then will be removed from the catalog order. The sale will resume with the remainder of the consigned weanlings in catalog order.

Joan is a big beautiful black filly. We have a half sister we have started and are really liking, and we saved a full brother; that we are looking forward to starting. Her dam is kind and good to ride. Her sire Poco Pablo San, was a favorite mount for calving and ranch work when he was younger.

This smooth moving colt is built for speed but has cow sense on both sides of his pedigree. His mama is our best cow horse on the place. His daddy has cow all the way through going back to Smart Little Lena and Snippys Cowboy! John E Boy is a young stud with this being his first crop. We are very anxious to see how they turn out. Dam's side has both cow and speed. He is a great-grandson of Sugar Bars and Tiny Charger on dams side both going back to great running horses Three Bars and Depth Charge. I feel he will place you wherever you want to go with ease and great disposition. His daddy and mother are both very much people horses, loving attention and low key attitudes! For more info please call 605-381-0259 or email huxtable@gwtc.net. He is Ranchers Breeders Certified Horse.

Deciding which fillies to keep was hard this year, but I can't keep them all. She can go any direction you want- ranching, roping, trail or family horse and eventually a broodmare. Will load and unload, has several weeks of groundwork. "Maple" is AQHA Ranching Heritage eligible and current on worming. Her dam came from the Stirrup ranch and they raise well made, meant to last, good minded, types of horses. She will make a knock out roper or ranch horse and look good doing it. The mind on this filly is amazing. Ride her and then turn her into a broodmare. She is 6 panel clean.

This guy is a sweetheart and wants to be your friend and please! We rode Royals Playgirl before breeding her, and she has a BIG motor! Her full sister has multiple ROM's in AQHA, from barrel racing, as well as a lot of money won. Shield Five Ole Cat has tremendous speed, as well as a lot of cow. This baby has 'old foundation' cow with Cutter Bill, and newer cow with High Brow Cat. No matter what you want to do, this colt should be able to do it well. This colts maternal grandma, Playgirl Brandy, always had colts that were put together right, with a lot of balance. We think her daughter, Royals Playgirl is continuing on the tradition with this guy!! He will be weaned and eating grain by sale time. Please call/text with quesitons!

Burnin Red Design "Biscuit" is a very nice yearling filly with a ton of personality and the most unique color we have seen from this cross. She has been such a fun filly to be around from day one, and she should only keep getting better. She is halter broke, stands tied, is good with her feet, and seems to take most everything in stride. Our foals are raised in the red hills near Buffalo, WY and they grow up knowing all about water, rocks, sage brush, kids, cows and even buffalo. Biscuit's dam was used in all aspects of ranching, and has proved once again that she is a great producer. On The Firewater, Biscuit's sire, has an incredibly willing disposition, paired with a TON of speed and ability. So far, this cross has definitely been one of our favorites, and we can tell Biscuit is going to continue this trend. This filly is the complete package of speed, ability, color and conformation.

Hard to part with this mare, but we are cutting back some mares. She had her colt hurt and had to be put down this spring. If you are looking to expand your brood mare band with Sugar Bars blood lines close up. She is gentle, friendly and has raised us 4 extra nice foals. Her dam was winner of several roping saddles and other awards. Sells exposed to Shiny Blue Boon Drr2 for a 2025 foal. Mare and 2025 foal are AQHA Ranching Heritage eligible.

Sugarbars | Am is a 2022 dun AQHA gelding standing 15 hands. "Rio" will have a solid 60 days under saddle by sale time and is already proving to be a great minded young gelding! He currently walks, trots, and lopes with ease as well as rides great outside with less than 10 rides on him. Prior to the sale he will have been exposed to cattle, big country, and arena events. Rio is about as gentle and easy going as they come and is completely unphased by the daily commotion of ranch life. This colt has all the potential in the world to make someone an outstanding, ranch, rope, versatility show horse, trail partner, and more. He moves out beautifully and is a very willing and quiet partner. Rio has a total "happy gelding" attitude and loads, stands tied all day, is great with his feet, and is very easy to be around. We consider him very mature for his age, he fits right in with our herd of finished geldings! He is the first to greet you in the big pasture, and wants to be your friend. He is up to date on trimming, 5 way vaccination and teeth floating. He was bred and raised by the 2015 South Dakota Quarter Horse Breeders of the Year, Stirrup Ranch Quarter Horses and is AQHA Ranching Heritage Eligible.

"Buddy" is a 5 year old gelding, born and raised in the Missouri Breaks in Garfield County, MT. Currently making a living near Miles City, MT. He is everything his name implies. As solid and trustworthy as they come, and has done all aspects of ranch work. From babysitting nieces and nephews to roping and doctoring yearlings and even packing a few elk out for 7W Ranch Outfitters. This past winter he worked at Circle B feedlot and was my go to horse for calving season. Buddy is easy to trim/shoe and has four solid black feet. He is good for all levels of riders. Great for working long hard days OR going on quiet slow trail rides. Buddy is good at acclimating to the task at hand. This spring I took him to Martin Black's ranch and did some work in southern Idaho. Worked several green horses off of him and rode up in the hills moving cattle.

Rare opportunity to own a horse started by Colts Unlimited a professional training facility here in Sheridan Wyoming. Valentine spent over two years in training and under Charlie Carrel's supervision. You can take him to the mountains, use him on the ranch or ride him in a show ring. He has even tried his hand at skijoring. The last few years I have used him extensively for trail riding and will go where you point him. He is good with other horses. Wonderful and respectful ground manners. He has a smooth trot and canter and a splendid work ethic. He boosts old school breeding and is registered with both the Foundation Quarter Horse Association as well as AQHA. He has a soft mouth and can ride strictly with leg pressure. He is best suited for an intermediate rider. Valentine has a scar on his left side from surgery to remove a sarcoid in 2016. Valentine stands at 15.3 hands.

Theo is a 7 year old bay gelding. Although Theo is a smaller horse he is an all day horse and likes to cover country! Theo is very cowy and always happy to rope something. He is best suited on the ranch with an experienced rider and has experience on every job. Theo is easy to be around and also started in heeling and calf roping. Theo has big gates and is super fun!

PROCEEDS DONATED TO THE
MIFF KOLTISKA NURSING, AGRICULTURAL
AND TECHNOLOGY SCHOLARSHIP

Jack's purchase starts The Miff Koltiska Nursing, Agricultural, and Technology Scholarship thru the Wyoming Community Foundation. All auction funds, minus sale commission, go to the scholarship and are tax deductible above fair market value of the horse. 100% of money privately donated will be used in perpetuity to help students with financial need in Sheridan and Johnson counties and is tax deductible. Jack is a horseman's horse. He is athletic, smart, confident, sensitive, sensible and pays attention. He has Two-Eyed Jack, top and bottom, but no papers. Brought in unhandled from Montana rangeland, I bought him as a four year old with untouched, perfect feet. I rode him the first times as a 6 year old last August with Miff ponying me. Miff would have taken him to make what she called an old lady rope horse, but colon cancer stopped her. I lost my focus and stopped riding. But then in May of this year Mark Koltiska and I designed Miff's Scholarship fund and I put Jack back in training. Jack has never bucked, reared, kicked, bit or run me over, has had his teeth floated twice, ties well, and is bottom of the pecking order in the herd. He is not stubborn, spooky, barn/herd sour or scared of trains. He is 15.2 hands, liberty and R+ trained, and has a big honkin' walk and trot. If you can lose your temper with a horse, he's not the horse for you. If you treat him well he will give you his all. He has grit, speed, brains and heart. He wants a calm, smart, experienced, kind rider who understands he is still green. King's saddlery has donated a saddle. Tom Balding has donated a \$450. gift certificate. Both sell with Jack.

PRETTY SHIELD

GRADE

Pretty Shield is one cool horse. She is loaded with cow and is the most unique color I have ever seen. She stands about 15 hands. I have branded a pile of calves on her this spring and doctored yearlings. She is awesome! Pretty Shield tracks cattle really well and will cow up when sorting out of a herd. She has good lateral control, knows how to side pass, get gates, will pick up the correct lead, is good to shoe and has a heck of a stop. I really enjoy this mare! She is full of personality. We will post videos of her on our facebook page Donleyfamily horses or call for more info (307) 683-7593.
